To the Minister and the Project Team
Ministry of Justice

Belgrade, 30 June 2014

Dear Madams/Sirs,

Management letter for special purpose audit of financial statements of the Ministry of Justice's Project: "Multi Donor Trust Fund for Justice Sector Support in the Republic of Serbia" for the period 1 January 2013 to 31 December 2013

During our audit of financial statement of the Ministry of Justice's Project: "Multi Donor Trust Fund for Justice Sector Support in the Republic of Serbia" for the period 1 January 2013 to 31 December 2013 we have not noted any weaknesses related to adequate organization and efficient functioning of an accounting system and internal controls system that, in our opinion, the Project management needs to be aware of.

Our audit procedures carried out as part of final audit are primarily directed as gathering audit evidence on fair and objective presentation of information presented in the Project's financial statement and are not intended to provide assurance on the functioning of internal controls system for management purposes.

We would like to take this opportunity to thank you and the staff of the Project for the help given to us during the course of our work.

Yours sincerely,

Ivana Manigodić
Partner
